Correction

Mohammad, F.S.; Patwekar, M.F.; Patwekar, F.I.; Basawaraja, H.S.P. Are Plant-derived Flavonoids the Emerging Anti-coronavirus Agents. INNOSC Theranostics Pharmacol. Sci., 2021, 4(2), 11–16.

In the Review Article titled "Are Plant-derived Flavonoids the Emerging Anti-coronavirus Agents?" published online April 29, 2022, the name of the fourth author, Hunashal Sarah Priya Basawaraja, contained a typographical error and the author's affiliation is also incorrect. This article was corrected online.

To correct the errors, the complete author and affiliation lists are presented in the following:

Firdous Sayeed Mohammad[1], Mohsina F. Patwekar[2], Faheem I. Patwekar[3], Hunashal Sarah Priya Basavraj[4]
